What's your preferred method of communication (email, text, or phone call)?

Please take some time to answer the following questions to the best of your ability.

Please describe your previous farm experience, including location and size of farm, what it grew, and where its products were marketed.

Please describe any other experience you have with physical labor and/or physical fitness.

Why do you want to work at Abundant Fields Farm?

What skills and assets would you bring to the farm?

What, if any, are your long-term farming goals?

Do you prefer to work alone or on a team? Please explain.

When learning a new task, do you like a lot of instruction and guidance, or do you prefer to observe and try things on your own?

FARM WORKER JOB APPLICATION

People often fall somewhere on a spectrum between those who work more slowly and are detail-oriented, and those who work quickly and just want to get the job done. Where would you say you fall on that spectrum? What kind of work pace is most comfortable to you?

What has been your favorite job(s)? What did you like about it (or them)?

Is there anything else you would like us to know at this time?

Please email this completed application, along with your resume and three professional references, to abundantfields@gmail.com.

Thank you for taking the time to apply to for a position on our farm.
